

VINTAGE DOWNTOWN BUNGALOW

114 MONO AVENUE, FAIRFAX OFFERED AT \$589,000

On a premium downtown lot, this 1922 Fairfax property is bathed in all-day sun and is on the market for the first time in 25 years. The home is a vintage bungalow with two large bedrooms, a bonus room/office and two full bathrooms. Newer wood floors throughout complement the expansive windows and original period details. Tranquil gardens surround the home, and the level back yard is perfect for playing, gardening and entertaining. With off-street parking for up to 5 cars, a large 2-car detached garage sits at the end of a long driveway. One minute to downtown and all the shops, music and restaurants of the great community, but on a quiet side street with little traffic. This is the perfect entry-level Fairfax home that rarely comes on the market...the possibilities are endless, with significant upside for updating.
